MILITANT DEMOCRACY SWEEPS THE NATION

GOVERNOR WOODROW WILSON EASILY ELECTED BY OVERWHELMING MAJORITY

Gets 300 Electoral Votes from States Which are Reasonably Certain

CARRIES G. O. P. STRONGHOLDS

Early Returns Give Democrats Solid South, Conn., Del., Ky., Maine, Md., Mass., N. Y., W. Va., Ind., Mo. T. R. Gets Illinois.

New York, Nov. 5.—With the election of Woodrow Wilson to the Presidency and Thomas R. Marshall to the Vice Presidency assured by the earlier returns tonight, the reports up to midnight gave indications that the electoral vote of the Democratic candidates would pass the 300 mark.

The size of the popular majority given the Democratic National ticket, or the States outside of Illinois that might give electoral votes to either Taft or Roosevelt, were matters of conjecture at midnight. It was certain, however, that Illinois would give an overwhelming majority to Roosevelt; while the race in Pennsylvania was so close as to bring all three candidates within range of success.

Early returns gave Governor Wilson and Governor Marshall the "Solid South," and the States of Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York, West Virginia, Indiana and Missouri. As the night advanced and returns from the West began to come in these earlier estimates were confirmed and Montana, New Jersey and New Mexico were added to those that seemed certain for the Democratic candidates, while scattering returns from San Francisco and Los Angeles made it probable that California might join the Wilson-Marshall column.

Rhode Island also became a doubtful State on the returns near midnight, and based on the later votes reported it seemed not wholly improbable that its five electoral votes would go to Wilson. The early returns gave on apparent victory to Taft in New Hampshire and Vermont, but the Taft plurality dwindled as midnight approached to a very few hundred votes in each State, and seemed likely to be wiped out entirely.

The vote in Utah reported up to midnight indicated the State might be carried for Taft. The vote in Pennsylvania was amazingly close, the returns from over a thousand precincts embracing over 185,000 votes giving each of the three leading Presidential candidates more than 60,000 votes. The New York State's Assembly seemed to be overwhelmingly Democratic.

In Illinois indications were that Judge Dunn, the Democratic candidate for Governor, had won. Former Speaker Cannon seemed to have been defeated for re-election to Congress in Illinois.

In addition to Roosevelt's certain victory in Illinois the confident claims of the Roosevelt managers that Iowa, Michigan and Kansas would fall into the Roosevelt column seemed verified by the partially complete returns at an early hour this morning. The returns from California were meagre, but left the State in doubt between Wilson and Roosevelt.

The uncertainty regarding Vermont was settled by the announcement of the complete vote, which gave Taft a majority of 924 votes.

At 12:45, the Providence, R. I., Journal conceded that State to Wilson, and with the vote close in New Hampshire it seemed probable that New England, with the exception of Vermont, had gone over to the Democratic column.

The election of Governor Wilson, of New Jersey as President, and Governor Marshall, of Indiana, as Vice President by a safe majority of electoral votes, was made certain by incomplete returns received from the country at large up to 10 o'clock. With Pennsylvania, Indiana, Ohio and other large States represented by only meagre reports, the success of the Democratic ticket in a majority of the heavily populated States was certain.

The early returns gave Governor Wilson the "Solid South", and Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York and apparently West Virginia, Indiana and Missouri.

Roosevelt's victory in Illinois, conceded early in the evening by the Democratic leaders, promised at 10 o'clock to carry with it a plurality greater than 100,000.

New Hampshire and Vermont apparently had given a majority to Taft, on the basis of fairly comprehensive returns, received at that time.

The States where results were reasonably certain at 10 o'clock gave the following electoral votes:

Wilson, 267; Roosevelt, 29; Taft, 8.

Wilson In Connecticut

New Haven, Conn., Nov. 5.—With all but 15 towns in Connecticut heard from Governor Wilson's vote is 69,200, Taft's 63,919, Roosevelt's 30,793.

PRESIDENT-ELECT OF UNITED STATES.

GOVERNOR WOODROW WILSON.

Governor Baldwin's plurality is about 10,000.

Minnesota Democratic

St. Paul, Minn., Nov. 5.—It seemed at 11:30 P. M. as if Wilson had won in Minnesota. Returns from 105 precincts out of 3,963 gave Taft 6,330, Wilson 9,178, Roosevelt 8,188. Governor Eberhardt, Republican candidate for re-election, at 11 P. M., was leading the State ticket.

Celebrate at Princeton

Princeton, N. J., Nov. 5.—The celebration of victory by Princeton students began at 11 o'clock tonight when the bell in Nassau hall where the continental congress met, began to toll as a signal of Wilson's victory. Tolling the bell is an old Princetonian custom when the college is successful in any contests. Students began to gather with band instruments, pennants and torches and formed a parade that passed down through Bayard lane, past the Grover Cleveland house to Governor Wilson's residence.

Friends who were with the Governor while the returns were coming in found difficulty in getting him to concede that he had won. Dudley S. Malone, son-in-law of Senator O. Gorman, of New York, came out of the room where the returns were being read and said laughingly: "The Governor refuses to be elected."

His message to Chairman McCombs was his first statement admitting that all doubt of his election had passed.

Wilson Carries Maryland.

Baltimore, Nov. 5.—Woodrow Wilson carried Maryland by from 20,000 to 25,000 plurality, estimated from figures received up to 11 o'clock tonight. Roosevelt ran second. All of the five Democratic Congressmen from Maryland were re-elected and the indications favored the election of J. S. Smith, Democrat, in the Fifth district.

Taft Carries Vermont.

White River Junction, Vt., Nov. 5.—President Taft carried Vermont today by 924 votes. Complete returns show the following result: Taft 23,247; Roosevelt 22,323; Wilson 15,397.

N. J. for Wilson.

Newark, N. J., Nov. 5.—New Jersey has given Wilson a plurality estimated upon meagre returns of 35,000 to 45,000 over Roosevelt. Returns at midnight showed Taft in third place. His vote was less than half of Wilson's.

The heaviest vote ever cast in the State and a long ballot delayed the count. Only 127 districts of the State's 1,779 had been heard from at at midnight. They gave Wilson 8,401; Taft 3,972; Roosevelt 5,832.

Ten of the State's representatives in the next Congress will be Democrats, two will be Republicans. The Democrats gain three over their present representation. Hughes, Democratic nominee, likely will succeed Briggs as United States Senator. Whether the next president of the State Senate, who will succeed Wilson as Governor will be a Democrat, was undetermined by the early returns.

Taft Hears the News

Cincinnati, Ohio, Nov. 5.—In the same house where he heard the news of his victory over William J. Bryan four years ago, President Taft tonight read the bulletins that told the story of today's election. Four years ago Mrs. Taft, Miss Delia Torrey, of Mulberry, Mass., his favorite aunt, and Mrs. Alice Roosevelt Longworth were present to hear the news. Tonight the President and C. P. Taft and Mrs. Charles Anderson, Mrs. Taft's sister, were the only members of the family present, but a few friends dropped in during the evening.

The President was cheerful and smiling and apparently was under less strain than other members of the family dinner party at the home of his brother, C. P. Taft.

The President voted shortly before noon today, spent a few minutes at Prosperity League headquarters and then returned to his brother's house to rest.

Mr. Taft has many times declared his intention of returning to Cincinnati and resuming the practice of law if defeated and that intention, it was said tonight, not to have been altered.

Massachusetts Democratic

Boston, Mass., Nov. 5.—Indications with half of the State tabulated are that Massachusetts has favored a Democratic candidate for President for the first time in its history. Governor Foss apparently was re-elected by an increased plurality and incomplete returns from the 16 Congressional districts showed the Democrats to have made slight gains.

Returns from 547 out of 1,102 voting precincts in the State gave Roosevelt 53,644, Taft 59,803, Wilson 77,616.

The same precincts in 1908 gave Bryan 71,308, Taft 105,982.

T. R. Congratulates Wilson

Oyster Bay, N. Y., Nov. 5.—Shortly before midnight tonight Colonel Roosevelt made the following statement:

"The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party. Like all good citizens, I accept the result with entire good humor and contentment. As for the Progressive cause I can only repeat what I have already so many times said, the fate of the leader for the time being is of little consequence, but the cause itself must in the end triumph, for the triumph is essential to the well being of the American people.

"THEODORE ROOSEVELT."

About the same time he issued his statement Colonel Roosevelt sent the following telegram to Governor Wilson:

"The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon.

"THEODORE ROOSEVELT."

W. Virginia for Wilson

Wheeling, W. Va., Nov. 5.—Seventeen precincts out of 1,161 in West Virginia give Wilson 821, Taft 443, Roosevelt 601.

Same in 1908: Bryan 867, Taft 1,054.

Wilson Leads In Colorado

Denver, Col., Nov. 5.—One hundred and one out of 1,412 precincts in Colorado on straight ballots give Wilson 4,581, Taft 3,067, Roosevelt 2,980.

Indiana Democratic

Indianapolis, Nov. 5.—Indiana apparently went overwhelmingly Democratic.

Governor Wilson in the basis of the returns from 517 precincts out of the 2,172 in the State, had almost as many votes as Taft and Roosevelt combined. Wilson was leading Taft by more than 2 to 1. For Governor Samuel M. Ralston, Democrat, led over Albert J. Beveridge, Progressive, and Winfield T. Durbin, Republican.

Neck and Neck in Pennsylvania

Philadelphia, Nov. 5.—Wilson and Roosevelt are running neck and neck in Pennsylvania. In 1,043 out of 5,377 election districts in the State outside of Philadelphia Taft had 37,645 votes, Wilson 62,032 and Roosevelt 62,046.

New York Gives 45 Electoral Votes to Wilson and Elects Sulzer

MAJORITIES ARE ENORMOUS

Wm. Barnes, Jr., Concedes Empire State to Wilson by 100,000—State Chairman Palmer Claims 250,000

New York, Nov. 5.—Woodrow Wilson was the choice of the State of New York for President by a plurality estimated at midnight at about 200,000 from returns received from nearly every election district in the greater city of New York, and from all but 100 of the 3,023 districts outside of New York. President Taft led Colonel Roosevelt in the same districts by about 35,000.

Congressman William Sulzer was elected Governor with a plurality estimated at midnight at 175,000 over Job E. Hedges, the Republican nominee, who, in turn, led Oscar Straus, candidate of the Progressive party, by about 15,000.

New York, Nov. 5.—New York State will cast 45 electoral votes for Governor Woodrow Wilson for President. Congressman William Sulzer was elected Governor.

At 10:10 only about two-thirds of the up-State districts and about half of the city districts had been counted. Upon these returns Republican Chairman Barnes conceded that Governor Wilson had carried the State by about 100,000, while Democratic State Chairman Palmer claimed that Wilson would have a plurality of 250,000.

Governor-elect Sulzer sent telegrams to Governors Wilson and Marshall extending best wishes and sincere congratulations.

Up-State sent in the first returns and these quickly indicated that in Republican strongholds Wilson was leading, while the first returns from New York city showed a big plurality for him below the Bronx.

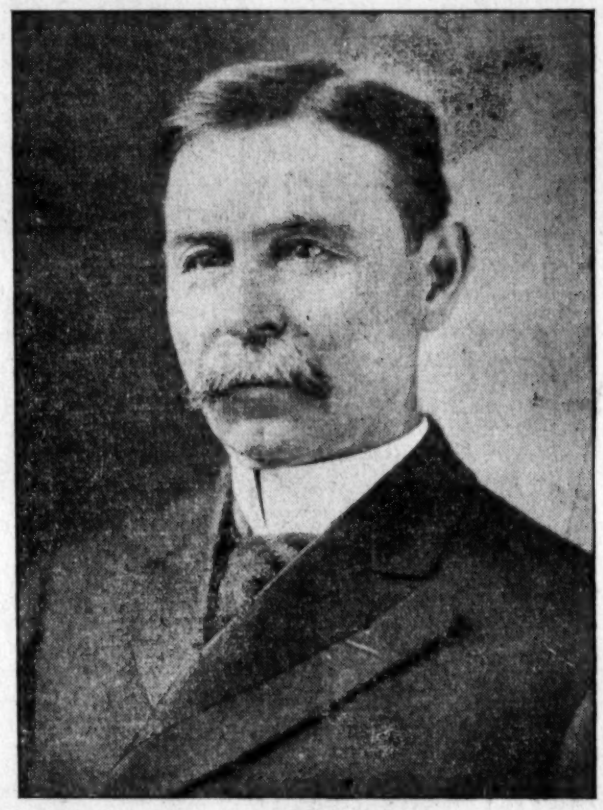
CAROLINA TRUE TO COLORS; SIMMONS IS RENOMINATED



HON. FURNIFOLD M. SIMMONS.

Upwards of 50,000 Majority for State Ticket and 25,000 for Senator

FAIR WEATHER PREVAILED

Taft and Settle Ran Poor Seconds—All Congressmen Elected—No Second Primary — Craig's Vote Satisfactory

Raleigh, N. C., Nov. 5.—Returns come in slowly from over the State, but the figures in hand show a large vote with Wilson carrying the State by 50,000 majority, his vote probably being 140,000, with Roosevelt 55,000 and Taft 35,000.

Locke Craig, Democrat, for Governor, gets about 150,000 to Iredell Meares, Progressive, 50,000, and Thomas Settle, Republican, 30,000.

The present ten Democratic Congressmen are re-elected.

In the Senatorial primary Senator Simmons has apparently 25,000 majority over Governor Kitchin and Chief Justice Clark. That he has won the nomination is assured.

(Special Star Telegram.)

Raleigh, N. C., Nov. 5.—Beyond the known fact that North Carolina has given big Democratic majorities for the National and State tickets in the general election and has re-nominated Simmons for the United States Senate over Kitchin and Clark in the Senatorial primary, remarkably little detail of results are known here tonight.

Results in the Senatorial primary have been telegraphed in from counties to the neglect, in a remarkable degree of figures, as to general election votes beyond statements that the Democratic majorities are well maintained. In all the absorbing Senatorial contest, it seems certain that Simmons is re-nominated by certainly 15,000 or 20,000 majority.

He is claiming it by 25,000 or 35,000. Returns indicate that Simmons has received majorities in all Congressional districts except the Fifth and Second and that he has a small plurality over apponents in the Second. While in the Fifth, Kitchin probably has 1,200 to 1,500 majority.

At Kitchin headquarters tonight the statement is being made that returns are entirely too meagre yet to form any definite conclusion as to the real result. They do not concede the nomination of Simmons yet. While State Democratic headquarters received almost no detail reports on the State election there are assurances that Craig gets around 50,000 majority and that Meares has probably polled a larger vote among Republicans than Settle for Governor. All ten Democratic Congressmen are returned by good majorities.

Statement Fram Rogers

Raleigh, N. C., Nov. 6.—At 1 A. M. the following statement was given out from Simmons' headquarters: "Senator Simmons has carried by complete majorities over both opponents eight of the ten Congressional districts in the State and in the other two Kitchin may possibly have 200 in the Second and 1,500 in the Fifth.

"It appears that Judge Clark has carried a single county in the State and a pluarlity in only one, Union."

The vote is lighter than was generally expected. But the proportion is favorable to Simmons. Have exceeded the estimates given out at Simmons' headquarters last night so that the total majority in the State will probably reach 25,000 to 30,000 as estimated, notwithstanding the light total vote.

Harnett County.

Dunn, N. C., Nov. 5.—Six out of 12 precincts had been heard from at midnight. These gave Simmons 585; Kitchin 298; Clark 74. The indications are that the county and State ticket will be elected by about 400 majority. Godwin, for Congress, leads the ticket.

Lenoir, Greene and Craven.

Kinston, Nov. 5.—Reports from 12 precincts out of a total of 13 in Lenoir county show the following results: Simmons 1,096; Kitchin 551; Clark 63. The Democratic majority for the National, State, Congressional, State Senatorial and county tickets will be about 1,100 over the combined opposition. Although not a single precinct has reported the correct vote at this hour, advices from Greene report that the county is giving about 400 majority for Kitchin.

Jones gives Simmons 450 out of a total vote of 700; Duplin will give Simmons probably 300 majority, and in Onslow, indications point to a slight majority for Simmons.

Some Western Counties.

Charlotte, Nov. 5.—Returns from the Western counties of the State are coming in slowly. Simmons carries Gaston by 403; Lincolnton by 400 to 500; Rutherfordton by about 1,200; Burke by 800; McDowell by about 500; Surry by a small majority. Judge Clark carries Union by a little over 100.

Montgomery County.

Troy, Nov. 5.—Eight precincts out

of 14 give Simmons 593; Kitchin 174; Clark 13. Simmons' majority 450. It is estimated that the county is Democratic by 200.

In Buncombe County.

Asheville, Nov. 5.—In 23 out of 28 precincts, Simmons has a majority of 1,381. In 13 precincist Wilson has 1,852; Taft 192; Roosevelt 883. Craig 2,061; Settle 579; Meares 781. In 19 precincts Gudger has 2,339; Staton 1,612. Democrats clai m1,200 majority now.

Latest From Guilford.

Greensboro, Nov. 5.—Kitchin had a plurality over Simmons of 38 votes in Guilford county, all precincts heard from. In Greensboro proper, Simmons had a majority of 23 over his two opponents. His plurality over Kitchin in Gilmer and Morehead townships, which include Greensboro and the mill villages is 119. The total vote, Kitchin 1,811; Simmons 1,773; Clark 242. Guilford county is safely Democratic by a larger majority than four years ago. All county, electoral, legislative and Congressional tickets are elected, out of 13 precincts heard from, with 15 others conceded Democratic to be heard from, Greensboro gives Craig 1,309; Meares 178; Settle 96.

National in Craven.

Newbern Nov. 5.—17 out of 20 precincts in Craven county give Wilson 1,680; Taft 76; Roosevelt 37.

Pitt County Complete.

Greenville, Nov. 5.—Pitt county complete gives Simmons 1,278; Kitchin 946; Clark 431. The entire Democratic county ticket has majorities of 1,500 to 1,900.

Brunswick Democratic.

Southport, Nov. 5, 12 M.—At midnight, with complete returns from Northwest, Town Creek and Southport and advices from the precincts in the lower end of the county, it is safe to estimate that Brunswick is Democratic by 100 to 200 majority. Geo. H. Bellamy is elected for the House, it is thought, without a doubt. The majority for Senator Simmons, it is thought, will be in the neighborhood of 700.

In Columbus County.

Whiteville, Nov. 5.—It is estimated that Simmons will secure a majority of 300 over both his opponents in Columbus county. Fourteen out of 19 precincts have been heard from and these give Simmons 914; Kitchin 438; Clark 99. Only a small vote was cast in the election, but, of course, Columbus remains safely Democratic.

Whiteville, Nov. 5.—Returns indicate that Columbus gives the State and county tickets 800 majority. Wilson's majority slightly less, Roosevelt runs second. Fourteen precincts out of 19 give Simmons 915; Kitchin 437; Clark 99. Simmons majority will be at least 300, probably more.

Whiteville, Nov. 5.—Thirteen out of 19 precincts give Kitchin 388; Clark 107; Simmons 907. Simmons majority probably will be 500.

Whiteville, Nov. 5.—The following men comprising the county Democratic ticket were elected today to serve for the next two years: Representative, J. R. Williamson; sheriff, J. T. Best; register of deeds, A. W. Baldwin; treasurer, T. E. Barden; coroner, S. A. Smith; surveyor, C. I. Ross; county commissioners, R. T. Powell, C. C. Pridgen, R. E. L. Brown, J. N. Cox, A M. Benton.

Latest From Fifth.

Greensboro, Nov. 5.—Returns from all of the 11 counties of the Fifth District with the exception of Durham, give Governor Kitchin a majority over Simmons and Clark ranging from 1,900 to 2,100. Major Charles M. Stedman's majority for Congress over C. W. Curry, Progressive and Republican nominee, is slightly more than 5,000, with prospects of a further increase from several remote precincts in Person, Caswell and Surry. In the Senatorial fight the counties of the Fifth have reported here as folows: Guilford, Simmons 1,772; Kitchin, 1,911; Clark 242. Forsyth reports a plurality of 149 for Kitchin; Surry gives Simmons 770; Kitchin 430; Clark 134. Stokes gives Kitchin 850; Simmons 75; Clark 50.

In this county no Simmons tickets were distributed. Person gave Kitchin 550; Simmons 35; Clark 9. Caswell gave Kitchin 532; Simmons 301; Clark 50. Rockingham gave Kitchin 839; Simmons 505; Clark 341. State: Craig 825; Settle 119; Meares 279. Congressional: Democratic 826; Republican 393. County: Democratic 830; Republican 392. Only two county tickets. The election passed off quietly, the Republicans taking more interest than usual. The entire Democratic county ticket is elected by 400 to 500 majority. A light vote was polled.

Randolph for Simmons.

Greensboro, N. C., Nov. 5.—Randolph county reports a safe Democratic majority for the full county ticket, and complete returns show the following Senatorial vote: Simmons: 2,187; Kitchin, 357; Clark, 200, giving Simmons a majority of approximately 1,600.

Beaufort, Hyde, Martin, Pasquotank.

Washington, N. C., Nov. 5.—It is impossible to get definite returns from Beaufort county tonight, but as nearly as can be estimated, Beaufort county goes Democratic by 700 majority. The Senatorial vote, almost complete, gives Simmons 960; Kitchin 425; Clark 350. No returns for Presidential and State tickets as yet. The Congressional ticket, estimated, gives Small 13,000 majority in the First district.

Returns from Hyde county give: Simmons 374; Kitchin 150; Clark 153.

Martin county: Simmons 625; Kitchin 443; Clark 222.

Complete returns give the Democratic National, State and county ticket 670 majority. Q. K. Nimock's majority for Senator from Cumberland and Hoke will be 1,000 to 1,100.

Clark Leads In Union.

Monroe, N. C., Nov. 5.—The total vote of Union county gives Clark 764, Kitchin 633, Simmons 515.

Duplin Safely Democratic

Wallace, N. C., Nov. 5.—Duplin county, 11 out of 15 precincts, give Simmons 1,026, Kitchin 271, Clark 91. Duplin is safely Democratic.

Big Vote In Iredell

Statesville, N. C., Nov. 5.—Reports from all the precincts in Iredell county show the following results: Simmons 1,993, Kitchin 595, Clark 55. President: Wilson 2,629, Taft 838, Roosevelt 1,268. State: Craig 2,648, Settle 52, Meares 985. Congressional: Democratic 2,633, Republican 1,516. The Democratic candidates for the House have about 848 majority and the balance of the ticket is about the same. A. D. Watts, for the Senate, was badly scratched and has only 478 majority. The election was quiet.

Further From Robeson

Maxton, N. C., Nov. 5.—The Senatorial vote in Robeson county: Simmons 2,388, Kitchin 750, Clark 139. National, 14 precincts out of 23, Wilson 1,645, Taft 78, Roosevelt 223. State: Craig 1,666, Settle 25, Meares 121. County and Congressional returns are incomplete. Godwin, for Congress, and the entire Democratic ticket is safe. Godwin was scratched. McLeod, for the State Senate, was scratched.

Buncombe and Haywood

Asheville, N. C., Nov. 5.—Returns from the county up to 9 o'clock indicate a landslide for Simmons. With 15 precincts heard from he had a majority over both of his opponents of over 800. He will doubtless carry the county by 1,700. The Democratic county ticket is elected by the customary majority or more with Craig running with the ticket. Settle ran ahead of Meares. With 14 precincts reported Gudger has a majority over Staton for Congress of 450.

Democrats have good gains in all precincts heard from. Craig got some Republican votes and Settle some Democratic votes and also many Bull Moose. This was doubtless due to confusion concerning the proposed fusion. Settle ran much stronger than was expected. Chairman Swain thinks there will be a Democratic majority of 550 in Waynesville township and will be in Haywood county 1,000. In Buncombe the election by 2,5000. Staton headquarters say they have no information. Bull Moose headquarters have closed. The vote has been light.

Results In Wayne

Goldsboro, N. C., Nov. 5.—Reports from 14 out of 17 precincts give Simmons 1,316, Kitchin 743, Clark 121. Woodrow Wilson, for President, has carried Wayne by a majority of over 1,100 over both Taft and Roosevelt. The State legislative ticket will be about the same. The Senatorial contest has so far overshadowed the other issues that it is impossible to get accurate results.

Kitchin Leads In Durham

Durham, N. C., Nov. 5.—The whole Democratic ticket passes in the county with a good majority. Kitchin leads by 618 votes final.

Simmons in Guilford.

Greensboro, N. C., Nov. 5.—Twenty-three of 28 precincts in Guilford county, including all towns, give: Simmons 1,666; Kitchin 1,617; Clark 236.

Simmons in Guilford.

Greensboro, Nov. 5.—In Greensboro Simmons out of 1,297 votes cast gives Simmons a majority of 23 over both Kitchin and Clark. The vote was Simmons 655; Kitchin 527; Clark 103. Unofficial returns indicate Simmons will have a plurality in county over both. Kitchin had claimed county by 1,200.

Catawba Democratic.

Hickory, Nov. 5.—Nine precincts in Catawba county give Simmons 1,013; Clark 256; Kitchin 296. Simmons will carry Catawba by 500 majority. The county will probably elect entire Democratic ticket by less than 100 majority. Judge Council running far ahead of the ticket for the State Senate and also Webb for Congress.

From Several Counties.

Indications are that the Progressive party has about divided in hair the Republican minority.

In the Democratic primary for United States Senator, Senator F. M. Simmons is leading and has evidently won a re-nomination over Governor W. W. At the Bijou.

Regardless of the natural excitement of election times, well caculated to keep people on the streets rather than indoors, the Bijou did big business yesterday. This, of course, was proof positive of the Bijou's great popularity with the people, regardless of any and all circumstances. The bill was a fine one and was immensely enjoyed.

Today's bill is going to be another great one and will cater to every taste. It will be one of rare brilliancy and will prove exceedingly novel. One of the most powerful of dramatic films, "Sunshine," will head the list. It will tell a heart stirring story, that will be sweet in the telling and long in remembrance. It sets forth the story of a man condemned to die, but who will not tell his story to the world. He unfolds it to a priest and then it is seen that he killed the man, who lured his sister away and to ruin.

"The Man Under the Bed" is one of the most unique films ever created. It sets forth, in vivid manner, how three children, through unusually cleverness, trap a burglar, they find under the bed. The manner in which they do so is novel and most entertaining.

"The One She Loved" tells of a domestic tragedy and carries with it a big moral. It shows what undue suspicion will do, wrecking a home and yet at that it saves a more lurid tragedy.

Today's bill at the Bijou should not be missed. It will prove one of the rarest treats of the season, and the price of admission will not stir. It will be 5 cents, and always will be.

At the Grand Theatre today there will be a big after-election bill and one that will greatly entertain and amuse enthusiastic patrons of this popular playhouse. Mr. Leonard Chick will sing "Lady Angeline," the greatest rural rag time song of the age. It is positively one of the very latest hits and will be heard with rare pleasure by all.

In the pictures there will be a big Pathe comedy, "A Mama Wanted." Two little motherless children have an advertisement inserted in a daily paper, announcing a vacancy in their home for a woman to take the place of their town mother. What becomes of the advertisement and of the child makes an interesting story and it is put on with splendid effect in this great film. "The Strange Story of Elsie Mason" is a Kalem of rare interest and power and it is one of the feature films at the Grand today. There will be a third and all told the bill will appeal to all who have a penchant for variety and beauty in the moveys.

SUIT FOR CHURCH PROPERTY

Cape Fear Free Will Baptists Involved —Other News Notes

(Special Star Correspondence.)

Dunn, N. C., Nov. 4.—The Cape Fear Free Will Baptist Conference vs. E. R. Wilson et als., a case involving the title and right to use the above name and to have possession of certain church property, was to have been heard before Judge Carter at Clinton last week but has been postponed to be heard in Wilmington in December. A corporation with the above name was organized about 13 years ago to hold the property of the Free Will Baptists in the counties of Harnett, Johnston, Sampson, Wayne and Greene. A few years ago the dicipline of the church was amended as to certain views on the question of sanctification, since that time there has been a division in the church on the same question and the present suit is to restrain one faction from using the corporate name and to recover certain church property which it is claimed belongs to the original incorporators.

The conference for the present year is being held at Savannah Hill church, about six miles from town. Mr. H. W. Jernigan is president of the corporation and is presiding at the meetings.

The county campaign closed here Saturday, all of the candidates having stumped the county in a joine camvass. The campaign has been rather listless as the Republicans know there is no chance for them to win a single office.

Notwithstanding the large cotton crop made last year, the receipts on the Dunn market are very heavy. To November 1st last year, there had been marketed here 6,792 bales, against 9,136 to date this year. The cotton crop is practically all out, but a good deal is being held by the farmers.

Mr. G. A. George, of Dillon, S. C., is now on the Dunn market representing a Charleston firm. He says that the grade of cotton raised here is much superior to the South Carolina cotton.

NURSE GIRL CONFESSES

Gladys Arnold Says She Set Fire to Berlin Hotel

St. Louis, Nov. 5.—Barbara Gladys Arnold, an 18-year-old nurse girl, was arrested today and charged with having set fire last Friday night to the Berlin Hotel, in which three persons lost their lives. Her arrest followed the discovery of a fire in the Windemere Hotel early today. Her employer, Rev. W. J. Williamson, had moved his family and the girl to the Windemere after the Berlin Hotel was destroyed.

The girl said, according to the police, that she fired the Berlin by scaling paper through the halls of the second and third floors and igniting them.

The girl later made a written confession in which she confessed that she started a fire in Windemere by throwing a lighted towel over the transom of her room. The flame was extinguished by Mrs. Williamson, whose husband later called the police.

Rocky Mount, Nov. 5.—Edgecombe county is again safe in the Democratic ranks with a vote of 2,000 for Woodrow Wilson and the State ticket. Clark's vote was about 150. There was a scattering Socialist vote.

The Fifth District.

Greensboro, Nov. 5.—Eight of 11 counties in the Fifth District, all but Durham, Forsythe and Orange, give Simmons 4,097; Kitchin 5,832; Clark 1,080. Stedman's majority over Curry will be about 5,000. It is now considered that Kitchin will receive less than 1,000 majority in the Fifth, which had been placed in his column as good for 7,000.

PORTO RICO'S NEW WONDER.

From far away Porto Rico come reports of a wonderful new discovery that is believed will vastly benefit the people. Ramon T. Marchan, of Barceloneta, writes: "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, also my brother of a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles it has no equal. A trial will convince you of its merit. 50c and $1.00. This she denied emphatically.

Frank N. Zotolli, an Italian lawyer, said he heard Ettor and Giovannitti speak during the strike and that they told the people to be peaceable.

LaRochelle, France, Nov. 5.—Eighteen people were drowned today by the sinking of the Spanish steamer Arana from Sfax, Tunis, after a collision with the Norwegian steamer Eva, off the island of Aix, on the French coast.

Elgin, Ill., Nov. 5.—While Judge Henry B. Willis, presiding jurist of the northern division of the Appellate Court, was standing on a railroad track in front of a newspaper office tonight watching the returns, he was struck by an engine and seriously injured. Both of his legs were cut off near the ankles. He also sustained serious injuries about the head.

BROTHER HURRIES FROM THE WEST

To See Sister, Thinking She Would Die, But He Helped Her to Recovery.

Nashville, Tenn.—"I was passing through the critical stage of life," writes Mrs. Kate E. Weaver, of 1715 Cockrill street, this city, "and for three years and nine months, to the day, I was in a serious condition, I could not walk alone across the floor, I was so weak.

My brother came from Dallas, Texas, to see me, thinking I was going to die. But he gave me the money to buy six bottles of Cardui, the woman's tonic, and I began to improve with the second bottle. The six bottles made me well, strong and hearty.

Since getting wel I have been to see my brother in Dallas.

Have talked to several of my lady friends, and now they are taking Cardui—my daughter for one, and it is helping her. She is 27 years old, and I am nearly 51. Cardui helped us all.

I certainly do not know how to praise Cardui high enough. You may publish this letter if you wish, for Cardui certainly saved my life, and I cannot say too much for it.

I shall always recommend your wonderful medicine."

Cardui is good for young and old. It costs but little to try, and may mean so much to you.

Get a bottle of Cardui today.

Foods That Bind Little Children

Start Them Off Right With a Good Laxative and Then Watch Their Diet.

Mothers are often unconsciously very careless about the diet of their children, forcing all to eat the same foods. The fact is that all foods do not agree alike with different persons. Hence, avoid what seems to constipate the child, or to give it indigestion, and urge it to take more of what is quickly digested.

If the child shows a tendency to constipation it should immediately be given a mild laxative to help the bowels. By this is not meant a physic or purgative, for these should never be given to children, nor anything like salts, pills, etc. What the child requires is simply a small dose of the gentlest of medicines, such as Dr. mothers is the ideal remedy for any the opinion of thousands of watchful Caldwell's Syrup Pepsin, which in child showing a tendency to constipation. So many things can happen to a constipated child that care is necessary. Catching cold, piles, headaches, sleeplessness, and many other annoyances that children should not have can usually be traced to constipation.

Many of America's foremost families are never without Syrup Pepsin, because one can never tell when some member of the family may ned it, and all can use it. Thousands endorse it, among them the parents of Ernest Cash, Sycamore, Ga., and Mrs. Carrie V. Marshall, Kevil, Ky., who buy it regularly of their druggist at fifty cents and one dollar a bottle, the latter size being bought by those who already know its value, and it contains proportionately more.

MASTER ERNEST CASH.

Everyone likes Syrup Pepsin as it is very pleasant to the taste. It is also mild and non-griping and free from injurious ingredients.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 414 Washington St., Monticello, Ill., and a free sample bottle will be mailed you. Results are always guaranteed or money will be refunded.

Cock-a-doodle-do!

What's the use to throw it up to anybody?

In the hour of triumph let the old sores heal at once.

The square deal of the Bull Moose was the snare squeal.

President Taft can challenge the winner to a game of golf.

Abe Gruber came to the front in time to attract the parting shot from the colonel at Armageddon.

Those who got hit the hardest during the campaign are those who violated the ancient rule enjoining those who live in glass houses from throwing stones.

"A house divided against itself will fall," sure enough. The cause of the division was the people's cause. That is what brought down the G. O. P. house yesterday.

Taft now knows what it is to follow out Roosevelt's policies. One of Roosevelt's policies was to do nothing to disturb the protective tariff that enriches special interests.

If there is a slump against Slemp in Virginia it is well. Virginia ought to send a solid Democratic delegation to Congress to keep her distinguished son from sitting on a pedestal.

The hat in the ring was thrown there at the beginning of Summer. It is an old dilapidated straw, and it is no longer necessary to kick it around with the Missouri houn' dawg.

The Democrat who has voted right all his life but who voted against his party yesterday certainly was weakened in his judgment in a crisis as grave as his country ever saw.

A great popular notification of the dissolution of the partnership between the government and special privilege was given by the people of the Republic at the ballot box yesterday.

There may be nothing in a name but look what those Balkan allies with unpronouncable names have done to the Turks. Lots of them have names that look like zigzag lightning.

Germany ought to quit trying to pick up coaling stations. She might burn her fingers. At the same time we ought to see to it that there are enough coaling stations to keep all merchant ships afloat.

No more Democratic primaries at the tail end of a campaign. It lost the Democrats many a vote yesterday. Now for a legalized primary system to supplant the soap box variety which have made enemies for a lawful plan for direct nominations by the people.

During his campaign Woodrow Wilson said: "I don't want to be the ruler of the people. I want to be the spokesman of the people." How different from President Taft's appeal to the business men of the country instead of all the people without regard to their business.

Georgia has a new law prohibiting the importation of cattle into that State from a tick-infested State. If a farmer in many portions of eastern North Carolina had fine cows to sell or cattle to ship, he could not ship them to any market without prosecution by the Federal government. It is time to make the fence law Statewide so we can get the government to eradicate the cattle tick. Eastern North Carolina would be a fine cattle-raising country and dairying section but for ticks. Fencing in the crops and letting cattle run at large is a great drawback to the country.

THE NATION'S NEW CHIEF

It is for the Republic to rejoice at the triumphant election of Woodrow Wilson to the Presidency. It is specially the cause of the wildest joy for the Democracy of this great country. The country has reason to be gratified that the Democracy has triumphed, for it is the Nation that has won the battle. There is profound sense of relief at the prospect of a Democratic administration at Washington, but the chief incentive to rejoice is that Woodrow Wilson leads in the triumph of Democracy. He is the chief figure in a great achievement for the masses, and we wish to emphasize the fact that it is not alone the Democratic party that has a great leader, but, specially, that the American people will have a chief worthy of the great Democracy of George Washington.

A President with all the sacred traditions of the founders of the Republic has come in this twentieth century to restore the government to its people. The Republic will not only have a scholar and statesman at its head but it will have a great popular Chief Magistrate who is deeply convicted upon the fundamental principles of Democratic government—that all power is derived from the people and government is by the consent of the governed. Their government is no longer the master of the people to use its usurped power to tax the people for the benefit of the few for whose particular advantage laws are put upon the people's statute books.

Wilmington is particularly and peculiarly rejoiced at the election of Woodrow Wilson to preside over the destines of the American Nation. The man who rises to the eminence of the Chief Magistry of one of the earth's greatest nations, was once a "Wilmington boy." His father was the beloved Rev. Dr. Joseph R. Wilson, pastor of the First Presbyterian church of this city. The President-elect spent much of his early boyhood days in Wilmington. He was a schoolboy in Wilmington, and his schoolmates are here to rejoice over the eminence attained by their schoolfellow. The "old swimming hole" in the Cape Fear, in the Southern portion of the city, assumes National importance. The days when the boys tied knots in eachother's pants legs and hid each other's clothes are not to be forgotten. They take on a new significance, for the boys who were "in the swim"—and not all the boys were whites.

North Carolina will take peculiar pleasure in the election of Wilson to the Presidency. His Presidential size was early recognized by The Star and proclaimed to the people. The entire State recognized that the New Jersey Governor was the man of the hour, and North Carolinians have cast their votes for him. Wilmington has done herself proud in providing for Governor Wilson a popular subscription of $10,021, the largest per capita donation of any city in America. North Carolina has oversubscribed her quota of $25,000 to the Wilson and Marshall campaign fund, and the hearts of the people of Wilmington and of the State of North Carolina throb with that of the two great men and typical Democrats who are to take charge of the government for the people after the 4th of next March.

SAMPLE OF POLITICAL INCOMPETENCY.

There is not a government in the world which costs more and from which the people get less efficiency and economy than the great Republican political system which we call our National government. It is not alone the partnership of the governing party with special interests from which the people need deliverance, but none the less important is the absolute necessity for relief from the hard and fast political system which controls the government at Washington.

While there may be a modicum of competency and efficiency in the management of National affairs, the entire machine is notorious for its extravagance and partisanship. While real economy is never thought of, partisanship and incompetency constitute a bad combination that has grown up with long control of the Republican party. Even were competency and efficiency assured in the management of the country's affairs, it is notoriously true that whatever service is rendered to the people it is done at terrific cost. Not only is favoritism practiced, but party manipulation of the offices for partisan purposes ramifies the whole system. It is scandalously evident that the government is exploited for political purposes, and that politicians and hangers on are provided for and taken care of at salaries three or four times greater than they have ever earned in any other way. Sinecures may not be the rule, but the people would be astonished at their number and uselessness—all for political purposes. The cost of it all might not be such a great cause for complaint if prevalent incompetence and inefficiency were not of such magnitude as to begin to attract serious attention. The Wall Street Journal furnishes us an example in this editorial concerning the handling of one of the most important of the government bureaus:

"Nothing excites greater anxiety in the minds of those who have the interest of their country at heart than the appaling incompetence which characterizes the administration of public trusts by politicians. Their efforts are devoted to investigating and regulating the vital business of the country, admittedly conducted on a high standard of efficiency and honest publicity. But in all this regulating and investigating Congress has omitted the one body which cries out to Heaven for something of the kind—itself.

"It would be needless to multiply instances, but that of the administration of Indian affairs may be taken as an example, not because it is worse than other Congressional responsibilities, or as bad as some, but because it is typical. There is a total population of under 308,000 Indians in this country. Their wealth is estimated at a value exceeding $500,000,000, of which nearly $130,000,000 is in the State of Oklahoma alone. There is actual cash in the Treasury to the amount of $40,000,000. How has this trust been discharged?

"Would it be believed that there has been no such thing as an accounting? There is not a document in existence which would show by figures exactly how the nation stands to the Indian wards for which it is trustee. In Canada there is a definite and well considered system. The Dominion has never broken a treaty with the Indians. It has no long record of politics and plunder to report, although its problem has been exactly the same as ours. What is the system here? There is none. The condition amounts to chaos. No corporation in the United States could run its business in any such way without placing its management under charges of the gravest character.

"The average length of service for an Indian commissioner for a long time past has been less than three years. He is the bewildered victim of politicians all the time. He is hardly able to learn his business before the Indian lobby, as corrupt as any in Washington, is intriguing for his removal. The regulations governing particular tribes and reservations are changed so frequently that the agents find themselves unable to explain to their charges the reasons for measures susceptible of no honest explanation. Of over 1,700 Crow Indians 90 per cent. are tuberculous. Yet Congress cannot find adequate medical attention and segregation for the sick of a tribe which is wealthy enough, out of property held in trust for it, to live at the Waldorf-Astoria for the rest of its days.

"When our politicians are meddling with the delicate machinery of commerce, let it be pointed out that there is scarcely an enterprise which they have fathered and controlled which exhibits even tolerable efficiency, while the element of common honesty is mostly lacking."

The administration of Indian affairs is one which not only demands efficiency in the interest of the government, but calls for humane and diplomatic administration in behalf of a people who are the wards of the government, but the victims of politics. The government's incompetent and inefficient handling of Indian affairs is not the least scandalous of its treatment of the Indians. It has permitted them to be exploited by speculators, lawyers and freebooters who have made millions at the expense of the Nation's wards.

This refers to the management of only one of the bureaus at Washington, but from time to time it has cropped out in the great departments. The scandals in the Forestry Bureau are too recent to be forgotten, but many have cropped out in several of the departments during the administrations of Roosevelt and Taft, while no doubt those which are suppressed or are under cover would startle the nation.

If the administration of Indian affairs at Washington is a sample of Republican government, it is none too soon for an honest, patriotic and thorough overhauling of the government at the hands of a Democratic administration. If such a revelation oozes out as that of the scandal in the Indian Bureau, what could be expected with the great lid lifted from the entire government system at Washington?

While western North Carolina had its first snow on Monday, eastern North Carolina is still wearing its Summer clothes.

CURRENT COMMENT

If Cuba can continue to give an object lesson to other Latin-American Republics that the balot, and not the sword, is the best arbiter of political differences, her influence for good will be incalculable.—New York Herald.

And yet, while Wilson is being attacked in the North because he is a Southerner, "the son of an ex-Confederate," Southern men, South Carolina men who call themselves Democrats, are going to vote against him!—Columbia State.

Mr. J. W. Moore, of Spartanburg county, South Carolina, states that he has taken five bales of 450 pounds each from one acre planted in cotton and that there is apparently about 500 pounds left still. Anybody making such a statement a few years ago would have been set down as a stupid yarn spinner, but our farmers know lots about farming now that they did not know then.—Charlotte Observer.

Gladdening signs of a revival of political purity have appeared in the little State of Delaware, where the chairmen of the Democratic, and Republican and the Progressive parties have agreed not to buy any votes this year. Whether the agreement is in writing is not stated in the dispatches, but even if it is only an oral and informal agreement, it indicates either an awakened conscience or a lack of campaign funds.—Boston Globe.

Farmer Glick, of Lincoln county, Miss., has lassoed and "hog-tied" the coffee trust. He mixes three parts soy beans and one part coffee, and drinks the decoction with gusto. During the War Between the States, substitutes for coffee were necessary and varied. Parched corn meal, peas, beans and even dried and parched sweet potatoes were used. The corn meal substitute was used by many families of limited means for years after the war, and may be used yet in some sections. The soy bean is a valuable cover crop, and if Mr. Glick has shown the farmers a practical use for the dry bean he is their benefactor.—Savannah News.

The ladies who have in hand the women's part of the Wilson campaign, have done a gracious and significant thing in cancelling their plans for the great social entertainment appointed for next Monday night. They have decided that the gayety and festivity of such an affair would not comport with the Nation's attitude of mourning on account of the death of the Vice President of the United States, or with their own feeling of sympathy for his widow. It is thus that the chivalry of womankind marks the dawn of a new politics, sensitive to public emotions and superior to party ties.—New York American.

TURKS DEFEATED AGAIN.

New York, Nov. 5.—The major league baseball season of 1913 will begin on April 10th. Selection of this date was announced here today as the result of an agreement between President Lynch, of the National, and President Johnson, of the American leagues, who under the National agreement are authorized to determine the starting point for the framing of major league schedules.

Rieka, Montenegro, Nov. 5.—The Montenegrins today occupied the town of Alessie to the southeast of Soutari and Port San Giovanni Di Mutua. The Servians and Montenegrins have joined forces at Ipek and are advancing against Diakova, to the northwest of Presena.

THE RESULT IN NEW HANOVER

Large Vote is Rolled Up for Woodrow Wilson—Simmons Secures Majority of 921 Over Opponents—Few for Settle.

Semi-official returns received up to midnight from eight of the 13 precincts in the county from yesterday's general election shows that notwithstanding the local option plank in the Republican party platform, New Hanover county rolled up its usual large majority for the entire Democratic ticket. The five precincts not heard from are in the county and as there is a small vote at each, the result will not be materially changed.

From the precincts heard from the Wilson electors received 1,821 votes; Taft electors, 119; Roosevelt, 82. All of the pre-election talk that Tom Settle, running for Governor on the regular Republican ticket, would receive 400 or 500 votes in this county, proved to be incorrect, as out of the eight leading precincts heard from he received but 163 votes. Iredell Meares, Esq., of this city, candidate for Governor on the Progressive ticket, received 81 votes out of the eight precincts reported.

Returns were slow coming in last night, probably due largely to a misunderstanding as to whether report was to be made with the County Board of Elections. The board of canvassers, composed of one election officer from each precinct, will meet at the Court House tomorrow at 11 o'clock to canvass the returns and make official announcement. It is likely, however, that the complete returns will be received today by the Board of Elections.

The result of the Senatorial primary, which was not held under the Australian ballot law, was known by 8 o'clock, some of the returns being made a few minutes after the polls closed. The first to report was Federal Point, where only 13 votes were cast and all went to Simmons. In this precinct the Wilson elector got 12 votes and Roosevelt elector one vote in the general election.

The result of the Senatorial primary was somewhat of a surprise in the smallness of the vote as it had been generally believed that at least 3,000 votes would be polled in this contest. Based upon a probable vote of 3,000 the Simmons supporters expected to receive something like 1,200 or 1,500 for their man. However, about the middle of the day, when it was realized that the vote was going to be light the more conservative supporters of Simmons placed their candidate's majority at 750 to 800 and the returns show that they were in close touch with the situation all the time.

Simmons received a total vote of 1,555; Kitchin 457, and Clark 175. Simmons carried every precinct in the county save one, Cape Fear township, in which Kitchin led by three votes, getting as many votes as Simmons and Clark combined. Simmons supporters are in every way satisfied with the result. The Kitchin supporters expected a larger vote in the county than their choice received, but probably the greatest disappointment was to the Clark supporters, for they confidently expected a much larger vote for their man according to pre-election statements.

Supporters of each of the three candidates for the United States were at the polls early and worked like Trojans until the close at sunset. They probably did not change a great many votes, for most of the electors had already made up their minds as to their choice when they went to the polls.

The day was ideal for an election, being fair and crisp enough to make one feel good. Certainly the weather cannot be blamed for the small vote that was cast in the county.

The order around the polls was well nigh perfect, not a single arrest having been reported, and there were only a few heated arguments around the polls. Chief of Polise Fowler stated at 8 o'clock that it had been the quietest election he had ever known in this county. Inquiry at police headquarters at 11 o'clock was to the effect that no arrests had been made and no report of misconduct anywhere in the city.

The returns from the Senatorial primary were received by Mr. George Harriss, chairman of the Democratic Executive Committee, at his office on Princess street, which was a busy place until an early hour this morning. In addition to receiving the returns from the primary the returns from all parts of the State and Nation were received at his office over a special wire.

Chairman John S. McEachern and Mr. R. C. DeRosset, of the County Board of Elections, were at the Court House to receive the returns from the general election. Although instructed to make the returns to the County Board last night, the officials in only eight of the 13 precincts reported. The others will probably make returns this morning. Members of the Board of Elections waited at the Court House until midnight to receive the returns. All of the precincts in the city, where the bulk of the vote is cast, made report and one of the country precincts, while a second precinct reported on the vote for electors and stated that the entire Democratic ticket ran about the same. The Fourth Ward was the first to get through the count, finishing at 7:30 o'clock and made returns to the County Board of Elections a short time later. Next to report was the first precinct of the Fifth Ward, which reported shortly after 9 o'clock. The Fourth Ward used to be the last ward in the city to report and returns, under the Australian ballot system, formerly were never received until midnight. The next to report was the second precinct of the First Ward. Then the Second Ward reported, followed shortly by the Third Ward. The first precinct of the First Ward was the last received. The count in all the wards and precincts was completed unusually early, but for some reason, probably due to some misunderstanding, reports from some of the precincts were not made promptly, hence The Star is unable to give the entire vote this morning.

Only a few ballots were thrown out in each ward or precinct on account of the voters failing to observe the rules governing the Australian ballot.

Mr. J. H. Davis was elected constable of Wilmington township and Mr. Geo. R. Smith in Harnett township. The magistrates elected in Wilmington township follow: G. W. Bornemann, W. L. Burkheimer, W. H. Cox, Wm. McD. Evans, H. W. Howell, Martin Newman, Geo. W. Smith, Joe S. Bryan, Richard H. Cromwell, M. E. Keathley, Jas. C. King, Z. E. Murrell, W. B. Savage, Sol. J. Sternberger, W. I. West, C. W. Woolard. The following were elected as magistrates in Harnett township: J. A. Everett, Henry C. Mason, W. H. Northrop, Jr.

While the crowd in front of The Star office was at its thickest about 9:30 or 10 o'clock, Mr. J. W. Buck, the well known out-door photographer, attempted to get a flashlight picture of the street scene. He had his camera stationed at the intersection of Front and Princess streets. There was a premature explosion and everybody in the downtown district was certain that a cannon had been fired in honor of the victory of Woodrow Wilson until they learned later that there had been an accident. Mr. Buck was injured on one of his hands and some part of the camera was hurled against the door of the store of Shrier & Solomon, southeast corner Front and Princess streets, breaking the glass.

BIG PYTHIAN RALLY

Local Lodges Sending Out Invitations To Gathering Here

The officers of the local lodges of the Kinghts of Pythas are sending out to their members and neighboring lodges circulars calling attention to the Pythian rally to be held in this city November 21st. It will be known as the "Rathbone Bible Class" meeting. There will be four such gatherings in the State, the other three and the dates on which they will be held being Charlotte, November 18th; Greensboro, November 19th; Goldsboro, November 20th. It is expected that all of the rallies will be largely attended. The following paragraph from one of the circulars will be of interest:

"The plan is for the different lodges in reasonable distance of Wilmington to secure as many candidates as possible, elect them in due form, and bring them to Wilmington, November 21st, where the rank of Page will be conferred by the Supreme officers. As a special inducement to join at this time, each lodge is authorized by the Grand Chancellor to defray out of the initiation fee the railroad fare and a night's lodging for each candidate."

TELEGRAM OF GREETING.

Chairman McCombs and Assistant Secretary Vick Telegraph Results.

Early last night before the bulletins had hardly begun to get on the press wires, those identified with the Woodrow Wilson Club in Wilmington received the folowing telegram from New York:

"Victory is complete. City by the Sea has reason to be proud of her part. Chairman McCombs sends greetings. "W. W. VICK."

The telegram was much appreciated by the ardent friends of Governor Wilson yesterday and when a copy of the telegram was flashed on The Star's bulletin board last night, it provoked much cheering.

WANTED FOR FORGERY

Chas. P. Hoskin, Automobile Repairer, Is Desired In This City

Charles P. Hoskin, a young automobile mechanic, who has been employed by Mr. H. F. Newkirk at his garage on South Second street, is being sought by the local police on a charge of forgery. It is alleged that he forged the name of Mr. H. F. Newkirk to a check for $22.50. Mr. W. J. Spooner, proprietor of the Spooner House on South Second street, is also anxious to have the young man apprehended as he advanced $10 on the worthless paper.

Mr. Spooner stated that on Saturday Hoskin's board bill was due and that Hoskin presented to him a check for $22.50 drawn on the People's Savings Bank. Mr. Spooner stated that he told Hoskin that he could only advance him $10 on the check Saturday, but that he would hold the paper and give him the balance, $12.50, on Monday morning. He did not offer to pay his board bill. Monday morning Hoskin did not appear and Mr. Spooner realized that he had been victimized out of $10 and an unpaid board bill.

Mr. Spooner quietly looked for Hoskin Monday and failing to find any trace of the young man, he notified Chief of Police Fowler. A warrant was then issued for Hoskin, alleging forgery. The paper was given to a plainclothes officer who has been looking for the young man ever since.

BOYS MAKE THEIR ESCAPE.

Youth Serving Term on Roads Left the Hospital Yesterday.

Yesterday morning Randolph Williamson, a white convict from the county roads, escaped from the James Walker Memorial Hospital, where he was sent some days ago for treatment by means of a fire escape. Williamson's clothes were locked up to prevent the possibility of his escape, but shortly after 4 o'clock yesterday morning, a new patient was brought in the ward. The new patient's clothes were temporarily left in the ward. Williamson seized the clothes and hastily donning them was soon out of the building. He was accompanied by Albert Bishop, who, it is stated, had been with the Sparks' Shows and came to Wilmington for hospital treatment. Williamson was being given attention for malarial fever. The county officers have been notified and will keep a sharp lookout for Williamson.

MISS LETE DEAD

Missionary to Japan for 15 Years Dies in Fayetteville

(Special Star Telegram.)

Fayetteville, N. C., Nov. 5.—Miss Bella Lecte, 82 years old, missionary to Japan for 15 years and well-known in Wilmington, died this evening at the residence of Mrs. Minnie Robison in Bladen county. The funeral will be held from the Presbyterian church at Fayetteville tomorrow at 5 o'clock.

London, Nov. 5.—The suffrage movement suffered a setback in the House of Commons today when an amendment providing for woman suffrage, which it was desired to include in the home rule bill for Ireland, was defeated by 314 against 141 votes. The suffragettes declare that they will retaliate by organizing outbreaks in Ireland. As a protest against the rejection of the amendment, suffragettes went on a rampage in Bond and Oxford streets. They smashed many windows. Two of them were arrested.

FRAIL, SICKLY CHILD.

Restored to Health by Vinol—A Letter to Mothers.

Anxious mothers often wonder why their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following letter.

J. Edmund Miller, New Haven, Conn., says: "My little daughter ever since her birth had been frail and sickly, and was a constant source of worriment. Several months ago we commenced to give her Vinol. I immediately noted an improvement in her health and appearance, and from the good it has done her I can truly say it will do all you claim."

This child's recovery was due to the combined action of the medicinal elements extracted from cods' livers, —combined with the blood making and strength creating properties of tonic iron, which are contained in Vinol.

Vinol will build up and strengthen delicate children, old people, and the weak, run-down and debilitated. We return the money in every case where it fails. Robt. R. Bellamy, Druggist, Wilmington, N. C.

PLAN TRIP TO WASHINGTON

W. L. I. Boys to Attend Inauguration of Next President—May Go to Raleigh Also—Secure Rifle Range.

Members of the Wilmington Light Infantry, of the Artillery Corps of the North Carolina National Guard, are already planning to attend the inauguration of the next President of the United States in Washington, March 4th, of next year. The boys are planning the trip with the idea that Woodrow Wilson, a former Wilmingtonian, is the person to be elevated to this high office, but if by any chance yesterday's election should result in the choice of either of the other two candidates they may attend the inauguration

The company attended the inauguration of President Taft four years ago and enjoyed the trip so much that they are anxious to visit Washington again on a similar occasion. There is also some talk of attending the inauguration of Locke Craig as Governor of the State. It is not improbable that the company will attend both the inauguration of the Governor and President.

The W. L. I. has practically secured a location for a 1,000 yard rifle range in the southern part of the city. If the range is secured and the boys can begin practice right away they will probably make a strong bid for honors in the next shoot of the Second Regiment and the Coast Artillery Corps to be held in April, 1913. The last shoot was held at Goldsboro and was attended by several members of the W. L. I. who did some fine shooting considering the fact that they had no range over which to practice. The need of a 1,000-yard rifle range has been felt by members of the company for many years, but they were unable to find a suitable location until recently.

About the middle of the month the boys will enjoy an oyster roast at the Lighthouse, Wrightsville Sound. They will make the trip to and from the sound on a special car. They are looking forward with much interest to the event.

LARGER THAN JUMBO

Sparks Shows Make This Claim for Immense Pachyderm

Barnum's success as a showman can be largely attributed to his ability as an advertiser. He made the word "Jumbo" as applied to the large elephant in his possession, a household expression in every home in America, and today in the English language it is a coined word meaning massive. You often hear the expression, "It is a Jumbo in size." The word Jumbo has no derivation and consequently has no meaning, except that given it by the excessive advertising of Mr. Barnum.

The Jumbo elephant owned by the Barnum show was a monstrous brute and was undoubtedly the largest elephant in captivity at that time, but as James J. Jeffries and others in his line have lost their titles, so has Jumbo lost his for the Sparks show "Mary" is three inches taller than Jumbo, and what is stranger still she is still growing.

The Sparks shows do not advertise her as being captured in the wilds of Africa by a thousand of the native warriors and brought to this country shackled with mighty chains. Truth to tell Mary was almost raised with the Sparks shows and has been in their possession for twenty-five years, or in other words since she was a five-year-old. Mary does not require the ponderous chains which were placed on Jumbo during his exhibition hours as she is as gentle as a lamb and particularly likes the children. Many people have an erroneous idea that elephants live to a great age. In fact the elephant in his native country and State will only live to be about the same age as the average human being, and in this country and climatic conditions they rarely ever exceed fifty years.

Mary, the monstrous pet of the Sparks shows, is now thirty years old and still growing at the rate of two inches each year. She now weighs almost 10,000 pounds and is three inches taller than Jumbo. She will be found during each exhibition in the menagerie tent and is a persistent solicitor of peanuts from the children visitors. The Sparks shows will exhibit here today.

Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at R. R. Bellamy.

Many friends in Wilmington of Kenneth M. The jury held continuous sessions during the whole of three consecutive days, and selected ten of the competitors to each of whom will be paid $1,000 for going into the final competition with the best designs.

It goes without saying, that Mr. Murchison is now among the leaders of American architects, which will greatly gratify his friends and admirers. The Star extends its best wishes for a successful competition.

GENERAL CONVENTION OF DAUGHTERS OF CONFEDERACY.

Washington, D. C., Nov. 5.—The gathering in Washington the week beginning November 11th of the Daughters of the Confederacy for its 19th annual convention will be one of the most interesting occasions in the history of the organization. It is of interest from a historical standpoint because it will be the first time that the Daughters of the Confederacy have met outside of Dixie. Every convention of any Confederate organization heretofore has been held in some Southern city. Besides this interesting point, the laying of the cornerstone for the Confederate dead at Arlington will go down in history as one of the most notable events in the history of our country.

Thousands of delegates and visitors will assemble in Washington to witnes the laying of the corner-stone. While the monument is for the Confederate dead and is being erected with money from sons and daughters of Confederate soldiers, Northern as well as Southern veterans wil take part in the laying of the corner-stone.

The convention will be opened with an address by President Taft. The chief executive will welcome the delegates and visitors to the National Capital and will on Wednesday, the 13th, receive the delegates at the White House.

The invitation was extended to the President to make the opening address by Hillery Herbert, of Alabama, secretary of the navy during Cleveland's administration, himself a Confederate soldier and former Senator Marion Butler, of North Carolina.

Mrs. Marion Butler, of North Carolina, president general of the Washington division of the Confederacy, has arranged for a goodly number of receptions and entertainments for the delegates. The first will be held at Mrs. Butler's palatial home on R street, when she will receive, assisted by Mrs. Scott, president of the Daughters of the American Revolution. On Thursday Mrs. Scott herself will give a reception to the Confederate Daughters at the New Wilard Hotel.

Mrs. Butler said today that convention week wil be one of interest not only as a historical event, but one that wil be a red letter in social circles.

Mrs. Stonewall Jackson, widow of the famous Confederate general, will not be able to attend. She has notified Mrs. Butler that she does not feel strong enough to stand the trip. Every county in North Carolina, and every State in Dixie will be represented."

PRETTY CHURCH WEDDING SOLEMNIZED AT WALLACE.

Wallace, N. C., Nov. 5.—This morning at 9 o'clock at the Baptist church here, in the presence of an overflowing houseful of admiring friends and relatives, Miss Marrie Jimmie Dunn became the bride of Mr. Alexander Southerland. The church was beautifully decorated for the occasion, many cut flowers and ferns being gracefully arranged over the building with pleasing effect. Promptly at 9 o'clock Mrs. Frank Powers began playing the wedding march and as the magical strains of Lohengrin's floated out, they seemed to be fairly drawing the bridal party down the aisles to the altar where the Rev. W. P. M. Currie, pastor of the Presbyterian church, stood waiting to pronounce in his reverent and impressive manner the words that should make the happy couple one. Miss Susie Colwell as maid of honor was beautifully gowned in silk marquisette over pink messaline and wore a black picture hat. The bride's maids were Misses Nell Allen and Bessie Dunn, of Wake Forest, and Miss Pattie Southerland and Miss Madge Southerland, of Wallace. They all wore white lingerie and black picture hats, and the maids' flowers were beautiful white carnations. The maid of honor carried pink carnations. Pretty little Louise Carter and Mary Susan Carroll as flower girls not only scattered flowers in the aisles, but sunshine over the entire church with their happy little faces. The impressive ring service being used, little Evans Pickett Boney as a veritable fairy of good luck and happiness, tripped in with the golden tie. The pretty bride entered leaning gracefully on the arm of her brother-in-law, Dr. J. W. Carroll, who gave away the bride. She was lovely in a going away suit of blue with hat and gloves to match. She carried an armful of beautiful bride's roses. The groomsmen were Dr. C. S. Sloan, Messrs. Albea Bryan, Albert Herring and L. Southerland, Jr. The party left the church to the triumphant peals of Mendelssohn and were driven immediately to the A. C. L. depot where the happy young couple boarded the 9:50 train en route to Wake Forest, where they will spend some time visiting relatives of the bride. The pretty bride is the popular and attractive daughter of Mrs. Mary Dunn, of Houston, Texas, but has lived here for the past several years with her sister, Mrs. J. W. Carroll. She has, by her charming personality won a large circle of firends here and throughout the State, who wish for her all happiness and joy. Mr. Southerland is the son of Mrs. Milton Southerland, and he enjoys the respect and confidence of all who know him. He is known to be one of the most successful young farmers of the county, and a man of exemplary character and habits. The bride was the recipient of many beautiful and costly gifts attesting the friendship and high esteem in which she is held. Mr. and Mrs. Southerland will be at home to their many friends at Wallace, N. C., after November 8th. Among the visitors from out of town attending the marriage were Misses Ethel Southerland, Emma and Katharine Newton, of Rose Hill; Nell Allen, Bessie Dunn, Margaret Allen, of Wake Forest, and Pattie Southerland, of Kenansville. Mr. and Mrs. S. B. Newton, of Rose Hill; Mrs. J. N. Southerland and Mr. Alton Newton, of Kenansville.

WATCHED THE BULLETINS

Was a Foregone Conclusion But the Crowds Waited—Poseal Telegraph

While the election in State and Nation was a foregone conclusion yesterday, there was little abatement of the interest in the returns and The Star's bulletin service was eagerly awaited from early evening until late at night. The bulletins were flashed upon a canvass across the street as fast as they were received and it was early seen that Wilson and Simmons had been chosen by decisive majorities. These bulletins were furnished by two direct wires into our own building—one that of the Associated Press and the other a special wire furnished by Manager Stansell, of the Postal. The reports by Postal were exceedingly prompt, accurate and upon them Mr. Stensell received many compliments and The Star certainly takes its hat off to him and the Postal. The stereoptlcon was furnished through the courtesy of Messrs. Howard & Wells, of The Bijou, and with the assistance of Mr. B. McD. Russell, these gentlemen gave patrons of The Star as fine a service as they ever enjoyed.

Returns from the election were also received at Wilson headquarters, Front and Princess streets, where Chairman "Billie" McGirt and his two lieutenants, Messrs. Howes and Gouverneur, were in the hey day of their delight. The returns were flashed upon a canvass and with the excellent service of the Postal, they were, of course, first, with the news.

Many telephone inquiries were also received at The Star office, both from in the city and by long distance. The Star trusts that the news they received is quite pleasing and it has every reason to believe that it is.

The Star is indebted to Messrs. Clayton Giles & Son for the courtesy of the use of their building across the street for suspending the canvass upon which the bulletins were displayed.

Huntington, secretary and treasurer. Besides routine matters the work of the coming season was taken up. There was a full attendance of the ministers of the city.

YOUNG MOTHERS

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both herself and the coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles and tendons, involved, and keeping the breasts in good condition, brings the woman to the crisis in splendid physical condition. The baby, too, is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

There's a reason for it. Every dollar put out at interest is loaned on Real Estate and Real Estate **only,** and on a basis of from 25% to 60% of the **actual value** of the property, and every weekly payment lessens the liability of the Association and increases the value of the loan.

Newark, N. J., Nov. 5.—16 districts out of 1,779 in New Jersey give Wilson 695, Taft 387, Roosevelt 423.

Los Angeles, Cal., Nov. 5.—First city precincts give Roosevelt 82, Wilson 68, Debs 56, Taft 4.

Little Rock, Ark., Nov. 5.—Wilson carried Arkansas by about 60,000 majority. Roosevelt will probably run second. All Democratic Congressional nominees were elected by usual majorities.

Columbia, S. C., Nov. 5.—Indications are that Woodrow Wilson has carried South Carolina by a majority over both his opponents of about 50,000. All Democratic State and county officers and Congressional candidates probably are elected. Returns are slow.

Boston, Mass., Nov. 5.—Governor Wilson's strength in Boston today almost equalled that of Colonel Roosevelt and President Taft combined, the latter two almost evenly dividing the vote received by Taft four years ago. The Democratic nominee made a slight gain over the vote given Bryan in 1908. Complete returns from the city showed 41,581, Taft 21,177, Wilson 42,706. Governor Foss, the Democratic nominee for re-election, polled almost as many votes in Boston today as he did last year, despite the third candidate. His total was 48,282, against 50,495 last year. Charles S. Bird, the Progressive candidate, polled 18,717 votes in Boston, and Walker, Republican, 17,296. The Republican vote for Governor last year was 28,751.

A "CURE"? FOR BALDNESS

The above expression is one which is used frequently in connection with hair preparations. Just exactly what is meant by it in each instance is a question. Baldness is not a disease and hence, does not permit of a cure. It is a result invariably to be traced to the dandruff germ and if the condition has become chronic, that is, if there is complete atrophy of the hair follicles, a "cure" is absolutely impossible.

Approaching baldness, seen in falling hair, may always be checked and if the hair follicles are not atrophied the hair may be induced again to grow.

This is accomplished by regular applications of Newbro's Herpicide which cleanses the scalp and kills the dandruff germ. The destruction of the germ does away with the accumulations of scarf skin and thus eliminates the most common enemy to beautiful hair.

Soft, glossy, fluffy hair cannot grow on a scalp infested with dandruff any more than a delicate plant can grow on an ash heap. The scalp must be kept clean and free from dandruff. The best remedy for doing this is Newbro's Herpicide which receives the highest endorsements from professional men, the stage and the best people everywhere.

Herpicide is sold and guaranteed in one dollar size bottles by all druggists. Applications obtained at all first-class barber shops and hair dressing parlors.

GOV. WOODROW WILSON ELECTED TO PRESIDENCY

(Continued from Page One.)

In Philadelphia with less than half of the returns in Taft leads Wilson by 14,000 and Roosevelt by 11,000.

Arkansas

Little Rock, Ark., Nov. 5.—Partial returns from eight counties, including Hot Springs, Pine Bluff and Fort Smith give Wilson 14,752, Roosevelt 3,752, Taft 1,628.

Roosevelt Carries Kansas

Topeka, Kas., Nov. 5.—Returns at 10:30 tonight indicate that Roosevelt will carry Kansas over Wilson by probably 10,000 plurality. Taft is apparently running a poor third.

Capper, Republican, for Governor, was leading Hodges, Democrat, and Stubbs, Progressive for United States Senator, was slightly ahead of Thompson, Democrat.

Wilson Sweeps Wisconsin

Milwaukee, Wis., Nov. 5.—Complete returns from Milwaukee county and scattered precincts throughout the State indicate that Wilson has swept Wisconsin by from 20,000 to 30,000 votes. The Democratic candidate carried Milwaukee county over Taft by close to 10,000 and meagre early returns from up-State showed that Wilson was running even in strong Republican districts. Roosevelt was running behind Taft.

Early reports indicate a close race between Karel, Democrat, and McGovern, Republican, for the Governorship.

Wilson's Plurality In Nebraska

Omaha, Neb., Nov. 5.—Returns received up to 10:30 tonight from Omaha and Lincoln and scattering precincts over the State showed a clear pluarlity for Governor Wilson. Should the remainder of the State show the same results the New Jersey Governor will have the Nebraska electoral vote by a safe plurality.

Missouri Democratic

St. Louis, Nov. 5.—Although only 10 per cent of the precincts in the State outside of St. Louis have been heard from at 10:30 o'clock and the vote here had just begun to come in, the State with its 18 electoral votes is safely in the Democratic column. Two hundred and twenty-nine precincts oue of 2,826 outside of St. Louis gave Wilson 34,023, Taft 14,462, Roosevelt 9,235.

For Governor, Major, Democrat, 18,468, McKinley, Republican, 11,316, Nortoni, Progressive, 2,829.

Louisiana

New Orleans, Nov. 5.—Incomplete returns at 11 o'clock tonight indicated that Louisiana had given its usual Democratic majority to Governor Wilson. Roosevelt is apparently running well ahead of Taft. Twenty-five precincts in the city and outside 144 out of 5,065 report 693 for Wilson, 129 for Taft and 117 for Debs.

Kentucky Democratic

Louisville, Ky., Nov. 5.—Although it became evident early in the night Wilson would carry Kentucky by a heavy majority at midnight it appeared that another day would be required to take exact measure of his victory. Several strong Republican counties went into the Democratic column and Lee county for the first time in its history gave a majority for the Democratic nominee. When returns had been received from 70 out of the 120 counties in the State, Wilson with approximately 140,000 had a plurality over both Taft and Roosevelt of about 20,000.

Changes in Kentucky.

Louisville, Ky., Nov. 5.—Louisville and the rest of the Fifth district went Democratic for the second time in a quarter of a century. It was declared certain that the Democrats would be elected in the first nine of the 11 districts. In the 10th district, from which the Courier Journal at midnight had received very sparse reports, the result was said to be in doubt.

Democrats Claim California.

San Francisco, Nov. 5.—J. O. Davis, chairman of the Democratic State Central Committee, telegraphed the Democratic National Committee at 9 o'clock tonight that Wilson had carried California by a majority of 20,000 over Roosevelt.

Roosevelt carried Los Angeles and Alameda counties by large pluralities, but San Francisco and the interior counties, and Northern California rolled up a Wilson plurality.

Victor Berger Defeated

Milwaukee, Wis., Nov. 5.—Congressman Berger, of Milwaukee, the only Socialist in Congress, was defeated for re-election by former Congressman William H. Stafford, who ran as a fusion candidate on the Democratic ticket.

Wilson Leading In Ohio

Cincinnati, Nov. 5.—Governor Woodrow Wilson was running ahead of President Taft in the latter's own State when the first 260 precincts of the 5,211 in the State had been received, the returns giving the Democratic candidate 17,239 to 14,207 for Taft and 6,819 for Roosevelt.

Exultation at Headquarters.

New York, Nov. 5.—Early returns from New York and the seaboard States were the cause of much exultation at Democratic National headquarters. Chairman McCombs soon after 7 o'clock sent word to Governor Woodrow Wilson that his election was indicated by an overwhelming vote. Later in the evening he made the following statement:

"Victory is now complete. The returns are coming in so fast that I cannot keep up with them.

"Governor Wilson has carried Massachusetts, Maine, Connecticut, New York, Maryland, New Jersey and all of the South. National Committeeman W. R. King wires that Wilson will get 10,000 plurality in Oregon. I believe we will carry Pennsylvania for Wilson.

"I have reports which are sufficient to elect Governor Wilson overwhelmingly without official returns from the Western States, which are not in."

With Chairman McCombs were Vice Chairman William J. McAdoo and United States Senator O'Gorman, who were painly elated over the returns. Mr. McCombs at 10 o'clock said he was not prepared to concede Illinois to Roosevelt, as he had been quoted as having done.

Wilson Gets the Returns.

Princeton, N. J., Nov. 5.—Governor Wilson sat tonight with a party of friends around a brilliantly illuminated dinner table as the election returns began to come in earlier than was anticipated. The first results received were favorable and his comment was: "That's very encouraging."

The returns that continued to come in from Massachusetts, Connecticut and New York all favored Wilson and the party about the dinner table showed pleasure.

"Capt. Bill" McDonald, the Texas ranger who is the Governor's bodyguard, read a stack of returns and felt so happy that he exclaimed:

"I wonder if I'd get arrested if I just shot off my guns. If it keeps up this way, I'll have to just turn 'em loose."

Capt. McDonald is a close friend of Col. Roosevelt, but differs with him politically.

The Governor was not over-confident. When shown the returns from New York City he smiled. "I'm supposed to carry the city by three to one in order to win the State," he said as he continued his dinner leisurely.

T. R. Sweeps Illinois.

Chicago, Nov. 5.—Col. Roosevelt apparently swept Illinois today in the race for the Presidency, according to returns received up to 10:30 o'clock tonight.

At that time 1,214 precincts out of 4,296 precincts in the State showed Roosevelt 137,313; Wilson 112,680; Taft 69,439.

Judge Dunne, Democrat, of Chicago, appeared to have won the Gubernatorial fight with Funk, Progressive, second, and Deneen, Republicon, third.

Democratic Claims.

Shortly after 11 o'clock Democratic National headquarters claimed the following States as certain for Wilson: Alabama, Arkansas, Connecticut, Delaware, Florida, Georgia, Indiana, Kentucky, North Carolina, Maryland, Massachusetts, Mississippi, Wisconsin, New York, South Carolina, Tennessee, Texas, Virginia, Oklahoma, New Mexico, Missouri, West Virginia and New Jersey, with a total of 291 electoral votes.

Oklahoma for Wilson.

Oklahoma City, Nov. 5.—Wilson-Marshall electors carried Oklahoma today by a majority estimated at 30,000. Senator Robert L. Owen defeated his Republican opponent, Judge J. B. Dickerson, by a large majority. No Pregressive electors were placed on the ballot.

House of Representatives.

New York, Nov. 5.—Returns on the election of members of the House of Representatives were slow and there was little on which to base a conclusion as to the proportionate political complexion of the 63rd Congress. indications were that the Democrats probably would maintain their present majority in the House, with possible gains as forecasted in early reports to political headquarters.

In New York the Democrats lost the 26th district, but this was offset by their victory in the 40th. The "Solid South" returned its regular delegation of Democratic Congressmen.

Wilson Wires McCombs.

Princeton, N. J., Nov. 5.—Responding to a telegram from the Democratic National chairman asserting that Governor Wilson unquestionably was elected, the Democratic candidate sent a dispatch to Mr. McCombs as follows:

"I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations on the part you have played in the organization and conduct of a campaign fought upon essential issues.

"A great cause has triumphed. Every Democrat, every true progressive of whatever alliance, must now lend his full force and enthusiasm to the fulfillment of the people's hope—the establishment of the people's right so that justice and progress may go hand in hand."

This was Governor Wilson's first utterance of a public character after his acceptance of the reports that he had been elected.

Bryan Congratulates Wilson.

Lincoln, Neb., Nov. 5.—William J. Bryan tonight sent the following telegram to Governor Wilson:

"I most heartily congratulate you and the country upon your election. Your splendid victory has borne fruit. I am sure your administration will prove a blessing to the Nation and a source of strength to our party."

At Progressive Headquarters.

New York, Nov. 5.—Senator Joseph M. Dixon, chairman of the National Progressive Committee, with Governor Hiram W. Johnson, the Vice-Presidential nominee, and Mrs. Johnson; Mr. and Mrs. Theodore Roosevelt, Jr., Oliver Roosevelt, a nephew of the colonel, and George W. Perkins, heard the returns at the party's headquarters tonight.

Early returns from the Eastern States were discouraging.

Governor Johnson, after looking over the returns from the East, said: "The difference in time between here and the West makes it impossible to get an accurate guage of the situation."

T. R. Carries Michigan.

Detroit, Mich., Nov. 5. — Returns from 145 out of 1,225 State precincts show Taft 12,437; Roosevelt 20,330; Wilson 16,066. This does not include the incomplete count in many of the Detroit precincts. 30,000 Majority In Georgia

Atlanta, Ga., Nov. 5.—Incomplete returns from 130 out of the 148 counties in Georgia as received by the Constitution, give an indicated majority for Woodrow Wilson of 30,000. Two counties, Haralson and Paulding, are credited to Roosevelt. Taft apparently did not carry one.

Moose and G. O. P. In Kansas

Topeka, Kas., Nov. 5.—Meagre returns received at midnight indicated that the Progressive National ticket and the Republican State ticket had been victorious in Kansas. Progressive leaders claimed the State for Roosevelt by a plurality of from 10,000 to 15,000, but the Democrats maintained that the complete vote would place Wilson in the lead.

W. R. Stubbs, Republican, was leading William T. Thompson, Democrat, for Uniter States Senate. For Governor, Arthur Capper, Republican, and George Hodges, Democrat, were running about even.

Roosevelt Carries Iowa.

Des Moines, Ia., Nov. 5.—With considerably less than one-fourth of the total precincts in the State heard from shortly between midnight, Roosevelt appeared to be leading Wilson by 24,000 to 26,000.

Wright SELLS LOTS

Winoca Terrace is so well located, so beautiful, offers so many advantages, and at so fair a price—the owners do not deem it necessary to advertise extensively or expensively.

The simple announcement that the property is now offered for sale to home seekers has sold three of the lots. The purchasers are buying for their own homes. Two of the three have decided on plans for their house.

This property, Winoca Terrace, is in the line of development—it is bound to become more valuable each day. No one can stop it.

The owners have waited steadily for an entire year, to have it right when offered to our friends. The work still continues—hundreds and hundreds of dollars are spent here each week.

The price of the lots will rise from their present low figure.

We want you to visit the property and see it yourself. Remember it was woods a year ago. Look at Carolina Heights and know this will be even more beautiful.

Silver maple trees by the hundreds are being planted; between these beautiful hydrangas will go. Terraces of grass, with trees and flowers will make Winoca a beauty spot.

We intend that it will be so, and we have the ability and will make it so. Winoca offers every city advantage—it is accessible and it is offered today at a very reasonable figure to homeseekers—not to speculators.

Visit Winoca—then visit
